Summer term 2020

Friday 3rd July

Dates for the Diary:

10th July - Canoe Adventure for Year 6
17th July - End of Year Celebration

We are fast approaching the end of the school year and we are sure you will agree it has been strange in many ways. However, at Wilden VA Primary School the children and staff are making the most of returning to school and getting the most out of their days in school. Throughout the week the children have made the most of their zoned playground areas, despite the frequent heavy downpours! The Squirrel children decided to turn the front garden into a pebble beach area and spent their time digging moats and castles, decorating them with pebbles and cuttings from the flower beds. In Hedgehogs the children have had great fun building dens and entertaining us with musical instruments. Otters have been reading Hamlet and considering how Hamlet will avoid being taken to England! We acted out our ideas in small socially distanced groups outside! Their ideas were very innovative!

We would like to reassure you all that plans are underway for returning to school in September, following the Government guidance that was announced yesterday, staff and governors will be meeting next week and we will make sure that we send out full details before we break for Summer.

As we previously mentioned, the end of year school reports will be sent by email next week. Please contact your child's class teacher if you would like to discuss them.

Many thanks to all who have sent such positive and supportive comments over the week's and we wish you a very pleasant and safe weekend.

Best wishes, Mrs Douglas and Mrs Byrne

This week the children in Squirrels have been writing Treasure Chest poems. We have also been using clay to create "rainbow houses" and practised our sewing skills. Watch out for the finished results which will be available to see shortly!

Early Years had a really busy week building dens, singing on our new stage, playing pirates and making our own treasure maps.

"I liked finding the treasure"
Maddie

"I liked painting the rainbow"
Jamie

This week, Muntjacs have been using singed sticks and acrylic paints to replicate the famous picture of Mount Fuji in Japan. The children loved using different techniques to portray the tone and depth of the mountain.

Mark 4: 1-20

The Parable of the Sower

Library Books

Please return all library books to school by Friday 10th July. They can be put (spine first!) through the letter box at the Reception area, thank you.

Our Value of the Month

July - Courage
