Summer term 2020

Friday 19th June

### Dates for the Diary:

24th June - Socially distant visit from Reverend Tim  
10th July - Canoe Adventure for Year 6  
17th July - End of Year Celebration

Wilden VA Primary welcomed back the Year 1 children on Tuesday and along with some additional key worker children in Early Years it's been, almost, like old times! The earlier part of the week saw the sun shining and we had comments from friends and neighbours of Wilden on how heart-warming it is to hear the children laughing and playing once again. The children have all had fun practicing their tennis skills but they have all been ready to settle down to their English and Maths learning too. Well done to all the children for their resilience and love for learning!

We are all getting used to the new routines and procedures; thank you parents for maintaining the social distancing at drop off and pick up times and arriving so promptly.

All the children were very well prepared so a big thank you to all the parents who watched Mr Starling's "Returning to School" video and prepared the children so well.

We will continue to keep you informed if we have to make any changes, but in the meantime may we wish you a very happy and safe weekend and to all those wonderful father's we hope you are showered with treats on Sunday!

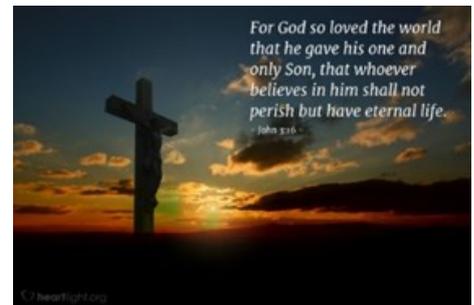

Best wishes, Mrs Douglas and Mrs Byrne

Our Year 6's have been learning all about the function of the heart this week. They reused plastic bottles to simulate the beating of the heart. A bit of mess but they loved it!

*Our Value of the Month*  
*June —Respect*

We have been painting self portraits after talking about our emotions and feelings. We watched The Duchess of Cambridge, Kate Middleton's mental health assembly and shared what makes us feel happy, sad and angry.
