Summer term 2020

Friday 10th July

Dates for the Diary:

17th July - End of Year Celebration and break up for the summer holidays.
3rd & 4th September - Staff Training Days
7th September - Children back to school

Dear Parents and Carers,

We continue to enjoy being back at school and this week we were very happy to have more children to successfully join us in all the family bubbles. The school really does seem to be getting back to normal, even with the socially distancing that we continue to maintain in the classrooms and the zoning in the playground.

May we remind you that our wonderful Year 6 children will be leaving on Friday, if you or your child would like to add a comment to their end of school book please email them to the office and they can be printed out and added. We are so grateful to St Nicholas Church for working so hard to ensure the children have a memorable send off by offering the church for the usual end of Summer Term service. Please note this is open only to families of children who are leaving this year due to the need to social distance.

Many thanks to all of you who have made our return to school so much easier by arriving promptly and continuing to use the specified entrance and exits, it really has been a great help. The weather forecast for the weekend is looking more promising, we do hope that all our wonderfully supportive families have time to enjoy some peace and sunshine this weekend.

Mrs Douglas and Mrs Byrne

In **Squirrels** the children have been working on using number facts to solve money problems and in English we have been using the focus text *The Invisible String* to write question sentences and use inference to talk about the characters and plot. We have also been working hard on our rainbow houses during the afternoons using clay and different painting techniques.

Otter Class welcomed back some of our old friends this week, it is lovely to see some new faces!

We thought how we have been feeling disconnected whilst we have had to stay at home and we read the folk tale *Stone Soup*. This story taught us that if we all work together, our world will be a better place. We're looking forward to creating ourselves out of air dry clay to create a sculpture next week of our class bubble!

Early Years have had a super week. We've explored rainbows and clouds in science and made fruit salad whilst learning how to keep our bodies healthy. Hedgehogs have been

preparing for their transition into Year 1 by doing lots of hard work around 'My map book', by Sara Finelli. Next week we will be finding out about keeping fit and will also be having a mini sports day!

Our Value of the Month
July - Courage

Year 6 had a fantastic time at The Canoe Trail!

Luke 15: 1-10 Parables of the Lost Sheep and Lost Coin

Parables of Jesus
The Lost Sheep & The Lost Coin
Luke 15:1-10
