We have considered how well we currently achieve these aims with regard to the protected groups under the Equality Act and we have also involved staff, pupils, parents and others in the following ways:

- The Equality Policy applies to everyone at Wilden and is published on the school website;
- All staff and children in school have the right to be respected, the right to learn and the right to be safe;
- Three clear levels of pastoral care in school
 - Class teacher
 - Family worker
 - Links to the church
- Questionnaires to gain feedback from Pupils, Parents and Carers, Governors and Staff;
- Regular parent workshops and communication, for all parents in areas such as reading, phonics, writing, maths, SEND and e-safety;
- Class and whole school assemblies embrace a breadth of cultures and the Wilden Values;
- Termly open sessions in all year groups for parents/carers/other relatives (collective worship, wow events);
- The school curriculum is designed to enable children to understand and respect diversity;
- Effective school council
