Morning and Afternoon drop off

The drop off and pick up process seems to be working but it does rely on parents arriving at the exact time otherwise there is a 'back-up' effect. We have had some advice from a very supportive member of the Bedfordshire constabulary which applies to those dropping off at the Village Green. Please can you avoid stopping on the hatched yellow lines on the approach to the Village Green as this is illegal. If you could wait behind these yellow lines until a parking bay becomes available that would be much appreciated.

Squirrel Class Blog

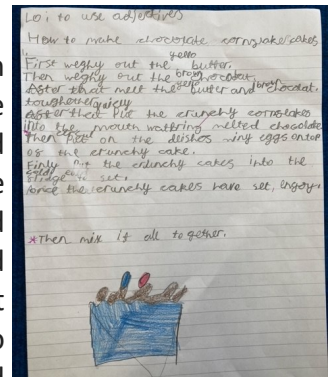

This week in Squirrels we have continued learning the continents and oceans around the world, it was so nice to practice and

learn a song altogether. This week we learnt about the hemispheres and equator and how this determines the weather we have. The children have created beautiful globes and marked on; the continents, oceans, equator and hemispheres.

In English we have been recapping on adjectives, adverbs and time conjunctions. To support this learning, the children created their own cornflake mini egg cakes which was a lot of fun. The best part was eating them!

In Maths we have been learning about near doubles and multiplying using a number line - this was quite tricky but with lots of practice we were able to get there in the end.
