A message from the Headteacher

Today, we were visited by Richard Fuller MP who came to hear from our children about their ideas to tackle climate change in preparation for the COP 26 Conference in November.

The children had worked so hard on their ideas and presentations and he was mightily impressed with their confidence, ideas and powerful

messages. I would like to congratulate our children on their very professional approach to the visit and I was incredibly impressed when I met with the Eco-Council that they had already started preparing ideas by themselves. A huge well done from me and all the staff. The Eco-Council will now start to work on their ideas to make our school more eco-friendly for the future as we work towards our Eco-Schools Award.

It was lovely to see those parents who were able to attend our Harvest Festival on Monday. After almost two years without our church services it was very nice to be able to enjoy one again. We can now look forward to our Christmas schedule with excitement.

Unfortunately, we had to postpone the mini marathon this week but have rescheduled it for Tuesday 19th October. Can I please remind parents that this is the same day as Parents Evening? If you haven't yet booked your time slot with your child's class teacher, there is still time to do so.

Finally, can I just remind parents that we will be holding our first 'makeover' event this Sunday from 9-12pm? We would be grateful if you could come along and help us with some painting in the entrance hall and main hall.
