Message from Mrs Hutchinson

Firstly, can I offer my congratulations to the whole of the school community for the SIAMS Report outcome of GOOD. A special thanks must go to Mrs Douglas, who is the RE lead for our school and Reverend Tim for all his support during the process.

How effective is the school's distinctive Christian vision, established and promoted by leadership at all levels, in enabling pupils and adults flourish?	Good
The impact of collective worship	Good
The effectiveness of religious education (RE)	Good

Key findings:

The school's vision enables pupils to make positive choices about how they live, behave and learn.

Leaders have established and sustained a clear Christian vision through periods of change within the school.

Pupils in the school community are treated as unique individuals and the whole child is developed through the school's broad curriculum that is underpinned by the Christian vision.

RE teaching enables pupils to compare major faiths and make personal reflections based on their own faith or value systems.

Collective worship enables participants to grow spiritually and to incorporate Christian values into their own lives.

Please read the full report which is on the school website. We are incredibly proud of this achievement and it reflects the ongoing hard work and efforts of the school community.

We are looking forward to our first ever Oscars evening which is taking place on Thursday 5th December. This will be an opportunity for the children to share aspects of their learning this term. On Wednesday, the classes focussed on their presentation skills in preparation for this special event. The photographs on the bottom of page 2 provide a glimmer of what will be happening next week

Have a lovely weekend and I look forward to next week when the first of our Christmas activities begin.

Autumn term 2019

A recipe for Friendship

1. Firstly, mix in a box of encouragement to keep trying.
2. Secondly, pinch a bit of smiles for when you are sad.
3. After that, slice up the kindness to have no anger.
4. Now, sprinkle in a handful of laughter for when you want some happiness.
5. Finally, whisk all the ingredients together to get a good friend.

How to keep a friend:

This is not very difficult; all you have to do is always be kind to them and if they are hurt, always come back to them to help. Never be mean to any of them because otherwise the friendship between you and your friend will be gone and they may not want to be friends with you again.

By Jack

A recipe for Friendship, you will need:

- 30kg of kindness
- 4 handfuls of forgiveness
- A pot of honesty
- A tube of loyalty
- A bag of generosity
- A spoonful of trust
- A carton of intelligence
- 76,500,000kg of love

Method

Whisk the entire mixture and you'll get a good friendship

How to keep a friend:

This isn't very difficult. To keep a friend you need to be kind and ask how they are. Or ask are you lonely? If they say yes you could say "Do you want to join my game?"
