### Message from the Head Teacher

There is so much I could write about this week! It was so lovely to see so many parents at Parents' Evening and lots of smiling faces; I was so pleased to hear that your children have settled in so well this first term and have made a good start with their learning. Thanks for the feedback that was received. This week, we have uploaded some important documents onto the website: there is a curriculum map for each class which informs parents/carers what the pupils will be learning. Please read these and ask your children what they have been learning during the week and see if they can remember the subject specific vocabulary. I had fun asking Squirrels about carnivores, herbivores and omnivores this week! We have also uploaded some documents which show National Curriculum coverage for each year group in the core subjects and foundation subjects. If you do have any questions on this, please speak to the class teacher or me. We will be holding some curriculum events after half-term which you are all invited to, to help with your child's reading and learning of maths. The first one will take place on Monday 11<sup>th</sup> November at 3.30pm and will focus on phonics.

On Thursday, we had a special assembly. Mrs Byrne spoke to the pupils about how they could help someone if they were feeling sad. It was wonderful to hear the different responses and how to show empathy towards each other.

Thank you to all the generous Foodbank Appeal donations.
